2023 LISD Championship

Saturday May 6th, Lake Fork

This is a team tournament based on the combined length of the team's five longest bass. One designated person on the boat must download the Fish Donkey app (https://fishdonkey.com/#get-the-app) and will submit entries for everyone on the boat.

We will follow standard THSBA rules regarding fishing, safety, and state laws (https://thsba.net/info/2022-2023-rules.pdf). Captains are expected to compete as equal partners with their student-anglers and may contribute towards their team's limit.

Due to the FMHS Prom, ONE angler and boat captain may represent the entire 3-man team in this tournament, and both student-anglers on the team will be awarded the same FMHS AOY points according to finish.

The student-anglers on the top three teams in this tournament will receive plaques and prizes. Additionally, there will be plaques and prizes for the angler(s) weighing in the "Little Pig" (heaviest bass less than 16"), and the "Big Hawg" (heaviest bass longer than 24"). Weigh-in for "Little Pig" and "Big Hawg" will be conducted at the Lake Fork Marina and Motel (275 Co Rd 1558, Alba, TX 75410)

First Cast: 6:30 am **Last Cast** 2:30 pm
Weigh-in for "Little Pig" and "Big Hawg" = **3:00 – 3:30 PM**
Awards to be presented immediately after the weigh-in.

Lake Fork Slot Limit: There should be no black bass in the live well between 16" and 24". You may retain only 1 black bass longer than 24" per angler, and you should retain only 1 black bass per angler shorter than 16". There is no slot limit on spotted bass. Expect a game warden to attend the weigh-in!
